

Now for the first time, there is an affordable solution for **recovering your phones and internet** immediately after a disaster.

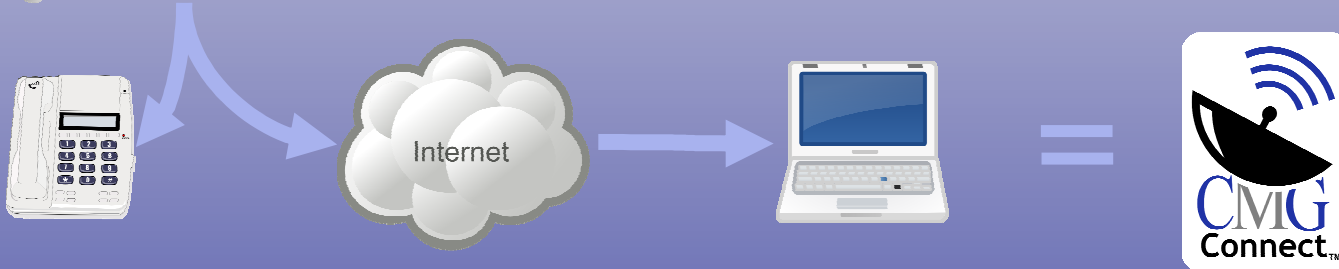

Starting at \$150 per month **you can re-connect**, after a disaster, with your clients, co-workers, vendors and your web based services like email, databases and web tools.

Would phone and internet downtime result in lost clients, income and good will? NOW you can be assured of recovering quickly, protecting the revenue that comes from your valuable relationships and delivered services.

### CMG Connect Packages:

- **Connect 1:** High speed Internet, 8 phones, 8 notebook computers and a multi-function printer. (\$150/month)
- **Connect 2:** High speed Internet, up to 50 phones, 16 notebook computers and two multi-function printers. (\$275/month)
- **Or call for a custom solution.**

Call us at (800) 503-1037 or learn more at [www.CMGconnect.com](http://www.CMGconnect.com)
